

Next Steps To Take

1. Print your returns form and shipping label.

No printer? No problem. A copy of your return label has been emailed to you.

2. Cut along the dotted line to separate the returns form and shipping label.

Place the return form inside of the box along with the product and secure the shipping label to the outside of the box.

3. Bring your package to a USPS location.

Please note:

Returns take 5-10 days from the date we receive them.

You will receive an email confirmation once your return has been processed.

Price differences will be charged or refunded to the original form of payment.

If your replacement item is unavailable, you will be issued a refund.
